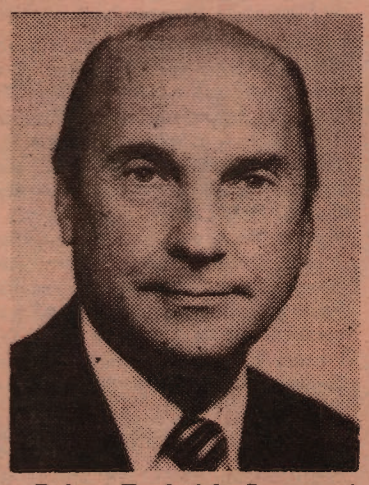
Tiny Minority Control TV

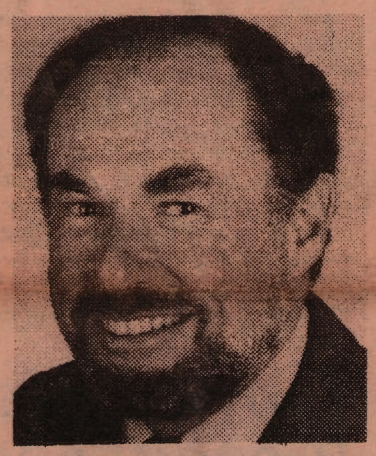
Television, the most powerful medium in all history, shapes public opinion. It operates 24 hours a day molding peoples minds. Studies prove the vast majority secretly desire to be conformists. They want to be accepted by the powers that be — and do not want to appear to be out of step with "public policies" perceived as commonly approved views and opinions. Thus the small handful of people who either own or head the TV networks are in a unique, powerful position, to exercise thought and control over our people. They insidiously use the medium of TV to manipulate the minds and thoughts of our people.

Heads And Owners of TV

NBC-TV is wholly owned by RCA which has been controlled by the Jew Sarnoff family since 1930. At that time the Russian born Jew David Sarnoff wrestled control of RCA away from the Marconi family which invited the wireless radio. NBC-TV has had a succession of Jew Chief Executives. Fred Silverman was head until replaced by Grant Tinker. Jew Brandon Tartikoff is president of NBC entertainment programming. Still the real power over NBC is said to lie in the hands of a Richard Salant who became "general adviser" to top NBC management in 1981. NBC Vice Chairman is Irwin Segelstein. The NBC-News is kept exclusively under Jew control. Jew Reuven Frank was news chief from 1968 to 1973. Then Richard Wald took over followed by fellow Jew Lester Crystal. Frank returned in 1982. On April 31 Lawrence Grossman, age 52, has been appointed news chief after serving eight years as head of Public Broadcasting (PBS). He graduated from Marxist Columbia University in 1952 and then started his career as writer for "Look Magazine."

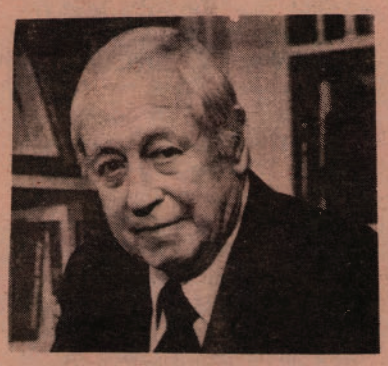


Robert Frederick, Jew, president of RCA, which owns NBC-TV.



Lawrence Grossman, Jew, new president of NBC News.

CBS-TV has been controlled by William Paley since 1946 when he appointed himself president because he was the largest stockholder. Paley is the son of immigrant Jews from Russia. In April 1983 he made Jew Thomas Wyman Chairman of CBS. Previously Wyman was appointed president of CBS in May 1980 succeeding the Jew John Backe. The president of CBS-TV network, and the Paley appointee is James Rosenfield. Head of CBS-News is Jew Van Gordon Sauter.



William Paley, Jew, has controlled CBS-TV since 1946.

ABC-TV chairman and chief executive is Leonard Goldenson who first took over in 1953.

Alternative TV Also Jew Run!

Ted Turner has made disparaging remarks about Jews in the past but when he established CNN Cable New Network he hired Jews to operate it. CNN president is Jew Reese Schoenfeld, Chief Washington bureau head is Daniel Schorr with Sam Zelman executive producer who formerly produced "60 Minutes" during his 20 years at CBS. Jew Robert Wussler is executive vice president of Turner Broadcasting Inc.

National Public Radio president is the left-wing Jew Frank Mankiewicz.

The Self-Chosen Are All Left-Wing

Chicago Tribune TV critic Ron Alridge reported on April 27, 1983 that TV bigwigs, *"are badly out of step with the people. These self-proclaimed elite leaders are powerful men whose lifestyles, incomes and values are probably far removed from ordinary people. They favor change and march to their own drummers."*

Aldridge said *Public Opinion* magazine made a survey of 104 of TV's top movers and shakers and discovered their impact on the values of the majority of the people do not reflect the real world you and I have to live in.

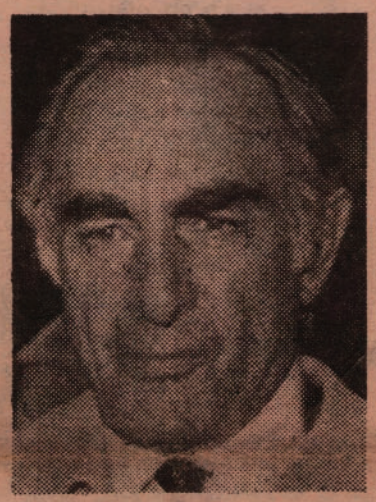
Teamsters' Presser On Hit List

Presser: Alive Now-But Soon to Be Dead Contract Out For Teamster Boss

The Los Angeles Times has revealed that current Teamster Union President, Jackie Presser, (a Jew) has been an FBI informant since 1971. Presser has now dropped from sight cancelling all speeches and union meetings. His body guard has been quadrupled and he is in hiding. The L.A. Times reported Presser was a "deep mole" and his role held top-secret "hush-hush" status.

The Teamsters Union has 1.8 million members and is the nation's largest and richest union. Still it has been heavily infiltrated with Jewish criminals. Jimmy Hoffa was murdered when he challenged mob control of the union and his body is believed to have been distroyed in an auto junk shredder. While Bill Fitzsimmons replaced Hoffa and was nominal front man heading the union, the real power lay in the hands of Jew Allen Dorfman who controlled the multi-million dollar Teamsters's pension fund. Dorfman, 59, was gunned down in broad daylight as his "friend" Irwin Weiner (Jew) led him from a parking lot at 1 pm in the afternoon to lunch in the Hyatt Lincolnwood Hotel. Two men walked up behind Dorfman — one man shot him in the back of the head wiht a .22 caliver pistol complete with a silencer. The shots sounded like the pops of a soft-drink can being opened. He then stood over Dorfman and fired 6 more shots into his head. The two then left in a Dodge sedan with a third man as driver with the motor running.



Allen Dorfman (Jew), real teamster chief since murder of Jimmy Hoffa, recently assassinated himself.

Jackie Presser (Jew) revealed as FBI informer, now on mob death list.

How Dorfman Illegally Used Teamster Money

On Dec. 15 Dorfman was convicted for attempting to bribe Sen. Howard Cannon of Nevada and indicted for taking kickbacks from the Teamsters pension fund. In 1975 Dorfman was acquitted of defrauding the pension fund of $1.4 million along with mob chieftain "Milwaukee Phill" Alderisio because a key witness was shotgunned to death before he could testify. In 1972 Dorfman was convicted for extortion and served nine months in prison. He publicly vowed he would never go to jail again and thus signed his own death warrant! Now, at age 60, used to living a life of luxury with chartered jets, chauffeured limousines, plus homes, etc., he had become spoiled by pleasure.

Dorfman made millions through his ownership of Amalgamated Insurance Agency which managed the teamsters pension and medical insurance funds. Dorfman knew all the inside secrets of the underworld which has for so long used the Teamster funds to finance criminal activity. Facing up to 50 years in prison and new charges of defrauding the fund of $5 million, the mob feared Dorfman would talk. Then many of the top Mafia heads would soon be standing trial with Dorfman the chief witness against them. Thus the mob decided to remove Dorfman from the streets of Chicago.

Teamster money was "loaned" to the mob so they could buy into Las Vegas casinos such as the Stardust, Fremont, Hacienda, Airport Marina, Riviera, Desert Inn, Tropicana and Dunes. They placed Jew Allen Glick in charge of the first four named hotels and Jew Morris Shenker of the last two. Their job was to "skim" at least $40,000 a week from each casino for the Chiago, Milwaukee and Kansas City crime heads. Dorfman was in the middle and loaned over $500 million in Teamster pension money to the crime syndicate for such activity including highly speculative land deals. Dorfman knew too much and the mob leaders decided to gun him down in broad daylight on the streets of Chicago to insure his silence and as a warning to others with big mouths — like Jackie Presser!

how they stand on these vital issues. The study did report:

1) Almost all TV chiefs are liberals raised in the big cities of the East or Calif.

2) Some 63% earn over $200,000 while 25% earn over $500,000.

3) A surprising 93% say they do not attend any church but 59% are Jews (though they constitute less than 3% of the U. S. population,) 25% said they were Protestants, 12% were Catholics.

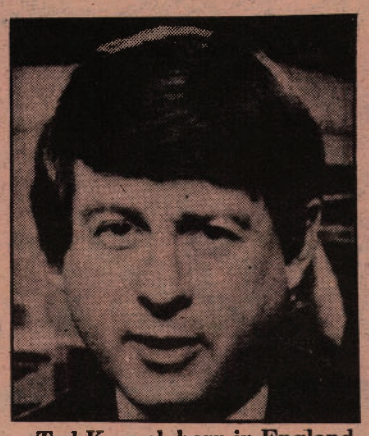
4) A large majority, 75%, said they were "liberal" while only 14% said conservative."

5) More telling was the figure that 80% admitted voting for Hubert Humphrey in 1968 and 82% voted for George McGovern in 1982.

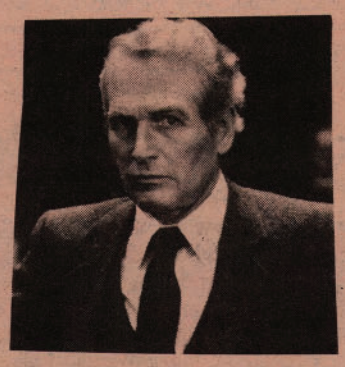
6) Marxist beliefs were reflected as most said government should redistribute income. 97% favor abortion and 80% say there is nothing wrong with homosexuality.

We would like to ask these 104 mind-moulders further questions. Here lies enough information to prove that TV is under the domination of those who are in opposition to the views of the vast majority of hard working White Americans. People with average salaries, somewhat religious, family oriented and of right-wing leaning views. The American people are being fed pure propaganda, often subtle, sometimes blatant, such as Roots and Holocaust but the great mass of our people do not realize that the Jewish race dominates TV. All who regularly watch TV are being brainwashed to one degree or another by this sinister medium which is in the hands of those who are the enemies of everything that this nation was founded upon. This power must be removed from these aliens if America and the White Race are to survive!

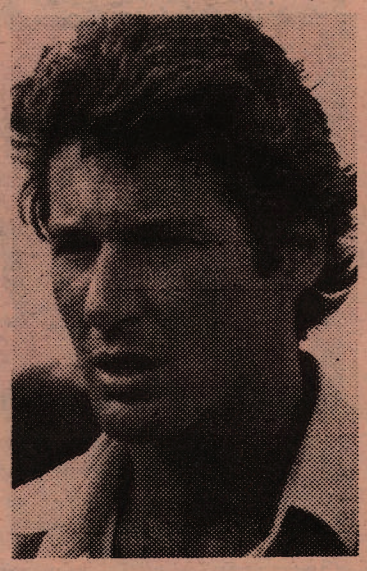
Jew TV Stars Dominate Hollywood!



Ted Koppel, born in England, says parents were among the millions of Jew Holocaust survivors!



Paul Newman, popular star, but how many know he is an active Jew in Zionist causes?



Richard Gere, a Brooklyn Jew, very short, wears shoe lifts but is now sex-symbol in Jew-owned movie magazines.

Secret Jew TV and Movie "Stars"

The Academy Awards draws huge audiences year after year but how many people closely study the names of the producers, directors and stars receiving awards? Most are Jews who take turns in an orgy of award giving and receiving. On this page we reproduce an article from "Jewish Week" of Feb. 24, 1984 which states clearly for their Jewish readers that Hollywood "is like little Israel" and that day-to-day business is conducted in Yiddish!? Here are "the people who make the very Jewish business in what is still a very Jewish town!"

The following are Hollywood Jew stars. Many of them are known to you but some may come as a surprise:

Barbara Streisand, George Segal, Buddy Hackett, Dustin Hoffman, Elliott Gould, Paul Newman, Rod Steiger, Richard Dreyfuss, Lorne Green, Michael Landon, Henry Winkler, Bette Midler, Ed Asner, Tony Randall (Rosenberg), Jack Klugman, Bette Davis, Richard Gere, Tom Selleck, Debra Winger, Goldie Hawn, Valerie Kaprisky, Ted Koppel, Mike Nichols (Preschkowsky), Valerie Perri, George Raft, Woody Allen, Lauren Bacall, Leonard Bernstein, Victor Borge, Sid Caeser, Howard Cosell, Bob Dylan, Jerry Lewis and Dean Martin, Barry Manilow, Walter Matthau, Jan Peerce, Sam Jaffe, Gregory Peck, Sissy Spacek, Jackie Cooper, Peter Yarrow, Richard Benjamin, Woody Allen, Mel Brooks, Red Buttons, Charles Bronson, Gilda Radner, Rita Moreno, Peter Sellers, George Burns, Kirk Douglas, Walter Matthau, Ethel Merman, Danny Kaye, Milton Berle, Dustin Hoffman, Piper Laurie, Roberta Peters, Edward G. Robinson, Shelley Winters, Jill St. John, and the deceased stars Victor Morrow and Natalie Wood, along with untold others.

The list of Hollywood Jew stars is endless. Years ago most changed their names and sought to keep their Jewishness a secret. Today, they are aided by certain judaized ministers, such as Rev. Jerry Falwell who preaches that "Jews are a special people holding a position closers to God than Christians." Jews can now flaunt their Jewishness and we are supposed to fall down upon our knees and worship them as the Self-Chosen People. (Note: why does not Falwell convert to Judaism, resign from the Christian Church and stop misleading our people?)

Jews are using their control of TV and Hollywood to promote communism and race-mixing which if not stopped will bring about the downfall of this White civilization. The Jews are a self-destruct race and have brought strife, dissension, revolution and turmoil in every country where they have ever settled in any numbers. At one time or other they have been expelled from every country in Europe. A solution to the Jew problem is the greatest challenge facing the future of America today!

himself. This is when the news leaked out that he had been an FBI informer since 1971. Jackie Presser thought he could betray others to the FBI but maintain personal immunity for his own criminal activity. Normally this is allowed by the FBI but an independent Cleveland prosecutor decided the time had come to stop Jackie.

Jackie Presser's father, Bill Presser was a vice president of the Teamsters but after three seperate criminal convictions he was forced to resign. Today Jackie Presser is president of the Teamsters and named son Gary to run his home town Local 507. Presser is the grandson of Jews from Austria. He has never worked with his hands as a Teamster. As head of Teamsters Local 507, Presser paid himself $353,736 annually out of the members dues. Jackie Presser is now said to be the most frightened man in the union movement. He no longer can function as Teamster president because his days are numbered. **He is already a dead man!**

Cleveland Baker and Confectionary Workers Union is headed by Jew Harold Friedman. In 1981 Friedman paid himself, $426,873 making him the highest paid local union chief in the U.S. Like Presser his rewards came from nepotism. Jew Arnie Weinmeister of the Seattle Teamsters Local 117 pays himself $189,487. None of these Jews have ever worked as a laborer and started at the top as "executives."

Hollywood's Endless Propaganda Films

Clever Propaganda Sneaked In Films

Hollywood Jew movie moguls work important propaganda themes into most films to promote Marxism, race-mixing, open immigration, etc. It is of great interest that no movies are made exposing or opposing communism. In fact most films still glorify communism as exemplified by the Burt Lancaster special on Stalin's "Great War Against Germany." The following are but a few movies attended mostly by young people which later reaches adults via cable TV with leftist propaganda themes:

"Missing," starring Jack Lemmon and Jewess Sissy Spacek attacks the anti-communist government of Argentina which wiped out the Red guerrillas who sought to overthrow the government. During that period in 1974 some 6,000 communists and their sympathizers "disappeared." At least 1,500 were young Jew revolutionaries. Nothing is said about the assassinations by the Reds, bank robberies, etc., of this mostly Jew run violent underground.

"The Boat Is Full" tells the story of Switzerland during World War II. Being a neutral country they didn't want to be overrun with war refugees. Thus the Swiss coined the phrase, "the boat (our country) is full." Some Jews were turned back at the border because they didn't comply with immigration laws. Still this film claims that "perhaps thousands, maybe millions" could have been saved from death in the holocaust had the Swiss opened their borders to the Jews. The truth, of course, is that there never was any holocaust in the first place and the Jews lost fewer people in the war than any other major combatant. The Red Cross reported about 230,000 Jews died from typhus, old age, malnutrition, etc., just as did many thousands of innocent German civilians simply due to the dire conditions existing toward the end of the war.

"Reds" directed and starred in by Warren Beatty was the most expensive pro-communist film ever produced. Our propagandizing that is "Seeing Red," producer James Klein (Jew) and partially financed through a $350,000 grant from the Ohio Arts Council. Here are two hours of old newsreels showing the U. S. Communist Party (1930s through 1950s) holding large demonstrations "against war and racism."

The Red "Daily World" of April 14, officially approved the film and says communist interviewed are redeemed from the McCarthy image as **"shadowy sinister types spying for the Soviet Union."**

Holocaust Films Rank No. 1

Newsweek Magazine reports Hollywood film producers believe anything on the holocaust gives them the opportunity to "package" emotion, terror, rage, heroism and grisly death scenes for viewer "entertaining." Thus CBS "docudrama," The Wall, about the Jew Warsaw ghetto uprising was welcomed by the Polish Communist government which provided soldiers, backdrops and extras for on site production.

"Blood and Honor" was a two part TV docudrama depicting "evil Germans" raising their children to be "Nazis." It compares them with the "kindly" Jewish Kuhn family who own a local tailor shop. The film is said to have a "tremendous emotional impact" showing the good people who oppose Adolf Hitler and the bad who support him. The end of this fictionalized account is interspersed with what reviewers drooled over as

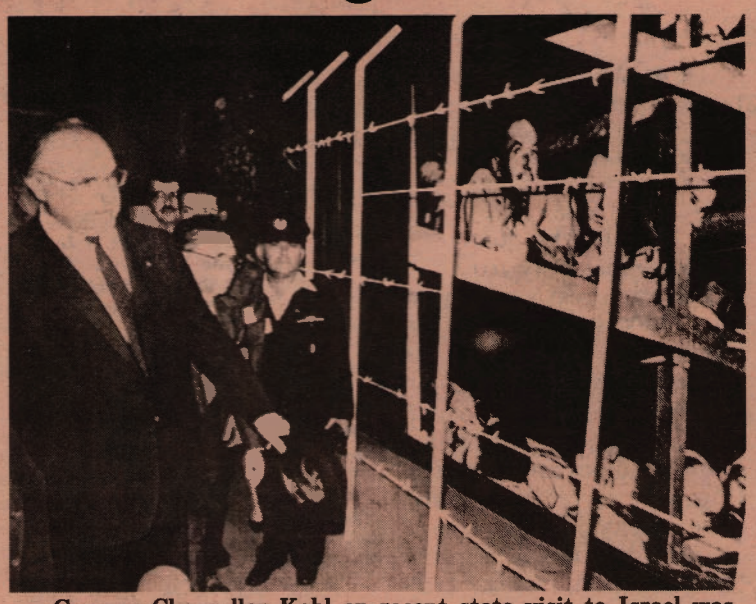
Jews Continue Insulting Germans

News From Germany

Germany and Japan still continue to be America's chief allies in the world standing up against communism. Yet, both these countries continue to be the victims of ridicule and insults especially from the Jew community.

D-Day Invitation Rejected

D-Day Commemoration of the 40th anniversary of the invasion of France found German Chancellor Kohl excited from the event. Kohl had suggested in a previous talk with Britain's Prime Minister Margaret Thatcher that his presence at the rites would signal a reconciliation between the new allies. Even former French Prime Minister Valery Giscard d'Estaing suggested publicly that Kohl be invited. The idea was vetoed by Reagan advisors claiming this could hurt the president with the Jew vote next November. This created a "bitter reaction" in Germany which is our front line ally against any future Soviet invasion of Western Europe!



German Chancellor Kohl on recent state visit to Israel was forced through the Yad Vashem holocaust tourist cite. He was further humiliated as thousands of so-called "holocaust survivors" stood outside shouting anti-German hate slogans.

Jews Demand Hess "Rot To Death"

Rudolf Hess was second in command under Adolf Hitler when (without public permission) he flew to England in 1941 in a desperate attempt to negotiate a peace treaty with the British. It should be remembered that the Jews claim the holocaust began in 1943. Thus they have been unable to link Hess with this vile hoax. The Western European powers have all asked that Hess be freed including America, Britain, France, and Germany. Only Communist Russia and Zionist Israel refuse to go along with this humanitarian plea on behalf of the man referred to as "the prisoner of peace." Hess, now age 90, has been in prison for 43 years.

The Chicago Jewish Sentinel of May 24 clearly revealed the bitter hatred which the Jews still hold for Hess — and actually for all those of German descent. An article by Rabbi William Frankel states:

"Russia says 'NO' (to the release of Hess). I must agree with their 'nyet.' The allies say, please consider: is there no pity? And Moscow answers with another question: Pity for whom? For Hess or for the millions he and the other Nazies murdered during the war? Frankly speaking the Russian reply makes sense.

"Not only does the world owe pity to the millions murdered by the Hitler-Hess regime, but also to the millions of survivors, Jews and non-Jews, who were physically and emotionally scarred by the horror unleashed by the old man of Spandau."

Here Jewish hatred shows through clearly from a leading Rabbi. Where is the "compassion, forgiveness and tolerance" of the Christian religion? Judaism does not teach these values but demands vengeance — an eye for an eye and a tooth for a tooth! This is why their official slogan for the German people is "NEVER FORGIVE — NEVER FORGET!"

The mere thought of any type of "Christian-Judaic Heritage" is a fraud because Christianity and Judaism have absolutely nothing in common. Read and Pass on Dr. Fields tract — "A Synagogue Is Not A Church."

Propaganda Movies

"blood-chilling newsreel clips of piles of bodies," which are described as "gassed Jews!"

Genocide is called the holocaust film to end all holocaust movies (Oh, if only this were true - what a relief!), produced by Jew Marvin Segelman. This grisly four hour "horror film" actually shows bodies of the thousands of Germans who were incinerated during the British-U.S. fire bombing of Dresden (when the war was all but over) and claims they are poor gassed Jews! This gory film won an Academy Award last year and is narrated by Elizabeth Taylor and Orson Wells. Segelman said one of the reasons for his compelling drive to do this film was *"because I am enraged over the claims of historical revisionists, who deny that the holocaust even occurred. They say that the ovens at Auschwitz were bakeries for the army! And, they admit that there were deaths at the concentration camps, but they say that this was from typhoid."*

"Genocide" is to be the holocaust film to end all holocaust movies featuring the highest body count of gassed Jews ever presented!

JEWS WORRIED ABOUT TWO FILMS . . .

"Jewish Post" of Feb. 2 states many in the Jew community are concerned that tow propaganda movies may boomerang against the Jews. They are "Daniel" starring Jew Ed Asner as the lawyer defending Julius and Ethel Rosenberg who were electrocuted in Sing Sing Prison as Soviet spies for stealing our Atomic Bomb secrets for Russia. The Post warns that most Americans already know the Rosenbergs were guilty and this film just reminds them of the treason trial.

"Once Upon A Time In America" is the true story of Jewish gangsters. "The Post" warns that many people may think organized crime is not strictly Italian and discover it has long been Jew controlled. The head of the Mafia for over 30 years was the Jew Mier Lanksy who died last year in Miami Beach. He was worth over $300 million! Interesting enough the Post article ends stating that almost all of the actors in "The Godfather," whose principals portrayed Italians, were played by Jews.

More Pro-Jew Propaganda Films

"Chariots of Fire" pictures the 1924 Olympic Games in Paris claiming Jew runner Harold Abrahams, played by Ben Gross, was the victim of discrimination. Who would know if this is true today but Abrahams is one of the very few Jews in history to win in any Olympic sport. Jews are not known for their athletic ability. Naturally this "bleeding heart" film was given an Academy Award.

Holocaust films abound with an endless stream including "The Children's War" produced with the aid of the Communist government of Poland which provided 2,000 extras and military equipment made to appear German.

"Wallenberg" is a film about the part Jew Raoul Wallenberg who was sent to Hungrey in 1944 by the World Jewish Congress, He is supposed to have saved up to 60,000 Jews, just by handing out Swedish passports? The Germans automatically recognized the passports and allowed these Jews to escape the holocaust. Could any rational person believe the Germans who would be so stupid if indeed there ever was any planned holocaust?

(Below article from "Jewish Week" of Feb. 24 proves Hollywood is the Jew propaganda capitol of America.)

In 'Israel-on-the-Pacific' Hebrew isn't spoken, but...

A proud Yiddish is film capital's second language

By MICHAEL FREEDLAND

HOLLYWOOD — Hollywood, said the taxi driver, is like a little Israel. That isn't quite true. In Israel they speak Hebrew. In Hollywood the common language is Yiddish.

When Fay Vincent was appointed president of Columbia Pictures, he lacked the one obvious qualification to be a 1980s movie mogul. He was brilliant, he had a magnificent grasp of big business. But how, without knowing the language, was he going to cope with the day-to-day business of the studio in suburban Burbank?

So while his predecessor, David Begelman, was being installed as head of MGM — despite the fact that he'd been sacked from Columbia for check forgery — Vincent was presented with a copy of "The Joys of Yiddish."

Hollywood is, of course, the town where movies are made, where the streets are paved with Goldwyn. And Mayer and Warner and Harry Cohn and the other tycoons who helped create the film industry and whose names really do form part of the pavements on Hollywood Boulevard — engraved in brass in pink stars on the street and written in cement on the floor of Grauman's Chinese Theatre.

They were immigrant Jews of a previous generation who, while never denying their background, were always a little wary of it. They gave generously to the United Jewish Appeal. They made sure that chicken soup and matzoh balls were always on the studio menus, and they allowed themselves to be buried by the ultra-Reform Rabbi Edgar Magnin.

None of them much enjoyed the idea of Jews in romantic roles, and the number of Jewish stars can be counted on your fingers. Warner Bros. were able to tell the Dreyfus story without pointing out that the French captain was a Jew. All that, of course, has changed. Dustin Hoffman, Barbra Streisand, George Segal, Elliott Gould — the list of stars goes on and on.

On the first Friday evening of every month and on the High Holy Days, the Synagogue of the Performing Arts goes into session at the building. On Rosh Hashanah and Yom Kippur, Matthau and comedian Buddy Hackett can be seen carrying Torah scrolls

He has some 1,600 members, "750 households, although 35 percent of them are singles," says the rabbi. "They come from every aspect of the entertainment business. Not just motion pictures, but from radio, TV, music." Nor are they just performers. There are producers and directors, lawyers, accountants and advertising agents, the sort of people who today make up this very Jewish business in what is still a very Jewish town.

Hollywood is a generic term, where Jesse L. Lasky and Cecil B. DeMille (who took years to admit his Jewish birth) made the first California-based film, "The Squaw Man." In the years since, the film industry has spread to the adjoining suburbs of Los Angeles.

It is where new penthouse condominiums are currently on sale for $14 million each (but they do throw in a free Rolls-Royce as part of the deal).

It has the biggest slice of the half-million plus Jewish population of the Los Angeles area, and you see evidence of it everywhere.

Holocaust Of Over 6 Million Ukranians Su

Document & Proof Jew Holocaust Attack The True Facts On The Jew Holocaust Claim

When World War II ended the International Committee of the Red Cross reported that 271,304 people died from typhus, old age, disease, and execution in all the work camps run by the Germans. It should be remembered that this is close to the number of Germans killed in just one allied air raid against the disarmed "open city" of Dresden when WWII was just weeks from ending!

In 1945 organized Jewry claimed that a "holocaust" of Jews took place in all German concentration camps. Later, in 1960, they revised this to only camps located in Soviet run Poland. It was admitted by the allies that no deliberate "extermination" of Jews ever took place at any camps our forces "liberated." Thus the media gladly took the communists word that they had discovered eight extermination camps in Poland! With the aid of the Jew dominated news media this was quickly accepted by many throughout the world.

True Facts About the Claimed Holocaust

In 1943 communists and Jews in New York City began broadcasting that six million Jews had been killed and exterminated by the Germans. Years later they claimed that the holocaust did not begin until 1943. One Jewish writer, Mier Gerstein, claimed that 11 million Jews had been killed. This was lowered when people questioned the World Almanac figure for the world Jew population in 1939 at 15,688,259 and then the Jew owned New York Times reported in 1948 the world Jew population as being between 15,600,000 and 18,700,000, "with an additional 600,000 to 700,000 in Palestine." With this huge jump in the Jewish population there is no room for the six million dead Jews figure.

It should be remembered that throughout history the Jews have laid claim to having been victims of other "holocausts." The Talmud (the real Bible of the Jews) claims that the Romans in Hadrian's era slaughtered 800 million Jews. No historians can find any evidence supporting such a claim.

What Are the Known Facts?

1) No gas chambers have ever been found at any camp in either Germany or Poland.

2) The Germans are obsessed with record keeping but not one Auschwitz construction blueprint, order, plan, nor any photograph shows a gas chamber. Author Thies Christophersen who was a prisoner there says: "I was at Auschwitz. There was no gas chamber there! "Both the Red Cross and Vatican investigators went to Auschwitz and all reported, "we could find no evidence that any gas chamber ever existed there!"

3) No one has ever been charged with gassing anyone.

4) Despite a claimed 10,000 mass gassings no photo, before, during or after a gassing has ever been produced.

5) All those questioned in the Polish and German resistance movement as well as German Intelligence agents who came over to "our side" nor British Intelligence have ever reported any "gassings" took place.

6) Not a single German document of the millions captured and now stored in U. S. Army warehouses refers to any gassings.

7) In March 1943 a Jew press conference in New York City claimed that two million Jews had already been exterminated by the Germans and that "by the time the war ends another four million will be killed!" This comes to the exact figure of six million — how could the Jews have guessed as closely at the finally agreed upon figure?

8) Studies have shown that photos of piles of bodies taken at the Dachau and Belsen camps were prisoners who died of typhus or malnutrition which also effected the German civilian population toward the end of the war.

9) The allies did not bomb Auschwitz because aerial photographs found no gas chambers and they wanted to use the vast advanced synthetic rubber plant in operation there.

Historian Paul Rassiner calls the Jew holocaust claim "an historic lie, the most tragic and most macabre imposture of all time.' Rassiner, who died in 1966 was a prioner as an anti-Nazi activist in both the Buchenwald and Dora camps. He charged that Jews from Israel, New York and Paris, and London met in Warsaw in 1950 to establish "The Committee For The Investigation of War Crimes and War Criminals." The Zionist-communist organization "produced" the pictures and estimates that came up with the six million figure.

The holocaust claim is today undermining Christianity with Zionist mouthpieces like Rev. Jerry Falwell claiming that Jews should be "worshipped" for their persecution, etc. Zionist spokesmen are today openly boasting that the "shattering effect of the holocaust of the Christian conscience" has inflicted a guilt complex. This has resulted in an overwhelming support of Israel and all its plans for expansionand oppression of Lebanese, Palestinians as well as other peoples living in the occupied areas. The time has come to expose the holocaust for the hoax that it really is.

New Washington "Holocaust Tourist Center" Ignores Real Mass Slaughters — Why Are Ukranians Left Out?

Why Is This Real Holocaust Forgotten?

There is great doubt that any holocaust of Jews by Germans ever occurred as evidenced by the data on this page. Still the Reagan Administration has given Jewish Holocaust Memorial Council two important government buldings free of charge a half block from the National Mall for a $100 million holocaust museum to show the "dark side of the German people." A portion of the museum will be opened early in 1986 and in full operation by 1988.

Millions of tourists will be ushered through the 80,000 square foot structure which will contain an auditorium, films and video presentations, lectures, horror slides showing in third dimension piles of dead bodies supposed to be Jews with tear-jerking "searing photographs and artifacts from the death camps which will move tourists to tears. All this in stereo sound! Vice President Bush spoke at the ground breaking ceremony stating before a crowd of over 400 Jew survivors, "We are here to remember what evil men can do unto one another." Sen. Howard Baker spoke of the "madness and horror of Hitler's time." Others attending this macabre event included the Capitol drunk, Rep. Tip O'Neil, newsman, Ted Koppel (Jew) and professional holocaust survivor author Elie Wiesel, chairman of the memorial council.

Why Not Include Other Groups?

At least 2.5 million Cambodians were murdered by the Reds just a few years ago, the Turks slaughtered 1.5 million Armenians in 1915, some 500,000 Blacks were killed by Idi Amin in Uganda, and 20 million during the "Great Terror" of Stalin in the 1920's and an estimated seven million Ukranians were shot, or starved to death between 1932 and 1933. Some have suggested these victims be included in the Washington, D.C. Holocaust Museum. The Jews have screamed in outrage and this suggestion was immediately dropped. In fact Jewish leaders have demanded of the news media that even the word "Holocaust" be used only in reference to their claim that six million Jews were killed by the Germans!

6 million Ukranians die by "Chicago American" reporter, Thomas Walker I WAS THERE!

Food Hunter Shot.

Walking around this farm I came upon two peasant women who were picking up grains of wheat after the manner of barnyard fowl under the most dirty conditions imaginable. (See photograph.)

They were distinctly forbidden to take any wheat that was outside of certain limits.

A father and son had been busy picking up these grains of wheat when apparently the father came too close to the prohibited territory to suit a Red soldier and was promptly shot in the back by a guard without warning and left to die where he fell. (See photograph). The son was in tears when photographed.

Both father and son were employed on this farm at the time than death. They cannot work on a state farm. They cannot grow food for themselves. THEY MUST STARVE.

About half a mile out of Poltava I came upon a small cabin where a white-bearded old peasant was standing. His wife was about to start on the daily forage for food. He stated that during two weeks these two had eaten only one pound of bread, and had tasted nothing in the past two days. He told me that about a mile away there was an open-air graveyard, all victims of starvation. I had no difficulty in locating this open-air burial ground. There were eleven bodies lying about in varying stages of decomposition and undress. Of the 66 corpses that I saw in five days, only one had shoes on, and these were removed while we buried the body.

At another cabin was a bedridden woman of 45 and a boy of four. The father had been sent to a Forced Labor Camp in the Spring. For two months these two had tasted no potatoes, and had lived on a slice of bread given them by a friend.

Obviously the mother was sacrificing her life to this child, as she gave all the bread to the boy.

The mother was so weak from hunger she could not stand.

Walking up the highway I encountered the most ghastly smell that I have ever experienced. It seemed to be coming from a hut near by, and upon investigation I found a peasant boiling up a portion of a leg of a horse that had died in the neighborhood. He had not removed the skin, and the mess looked more like a pot of glue than anything eatable.

On the outskirts of Kiev I met a little black-eyed girl of nine in a ragged man's greatcoat, of whom I asked some questions:

"Where do you live?"

"Nowhere."

"Where are your parents?"

"Dead."

"Where did they die?"

"At the village of Chernigov."

"Why did they die?"

Reporter Risks Life to Get Photographs Showing Starvation

STARVATION stalks through the Ukraine section of Soviet Russia, leaving a ghastly trail of death and agony.

The Ukraine is the most fertile grain-producing district in Russia.

The facts contained in the series of articles, of which this is the first, were obtained by Thomas Walker, an American newspaperman, now resident in London, at the peril of his life.

When Mr. Walker entered Russia last Spring he smuggled in a camera.

While the photographs shown with these articles were obtained under the most adverse and dangerous possible circumstances, the evidence they present is more grim and graphic than words.

By THOMAS WALKER,

Noted Journalist and Traveler and Student of Russian Affairs, Who for Several Years Has Toured the Union of Soviet Republics.

I HAVE recently toured the Ukraine district of Soviet Russia, where 6,000,000 peasants have perished from starvation in the past eighteen months, due to the excessive tolls made on their crops by the Bolshevik government.

Last Winter, Red Army soldiers, under orders from Moscow, took so much of the season's crops from the peasants that they were unable to feed themselves and their livestock through the Winter.

Photographs accompanying this series of articles were taken at great risk and brought out of Russia in my pockets. Fortunately, I was not searched. I threw away a valuable camera before coming to the border, so as not to arouse the suspicions of the Russian customs officials regarding photographs. The Soviet travel regulations distinctly state that all camera films are to be developed within U. S. S. R., and pictures detrimental to the Bolshevik cause are destroyed and the owner of the films is arrested.

The map shows the famine-stricken Ukraine district and Tamboff and Veronezh, mentioned in Mr. Walker's article.

Meets Immigrants.

(Run Model Farm)

Starting from Moscow late in the Spring of 1934 on what was advertised by the Intourist Travel Bureau as a complete tour of the Ukraine, we first went to a large Collective Farm near Tambov. Honesty compels me to state that this was indeed a model farm.

Conversation with the workers on this farm established the fact that practically all of these people were immigrant Communists from either America, England or Germany, who had even brought their farming implements with them, at their own expense, from abroad.

At the railway station at Veronezh I asked the glib-tongued Intourist guide why so many hundreds of persons were sleeping in

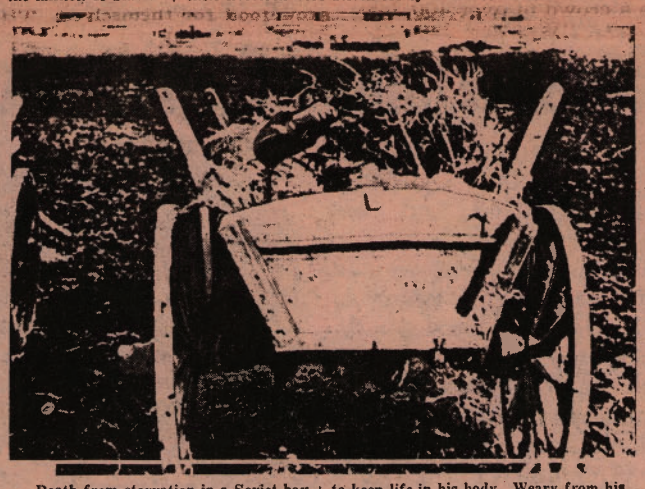
00 children, women and men have on. The women were permitted, as e, to pick the kernels.

Russia's beautiful thoroughbred horses, known the world over, are used now in the agricultural districts. The animals, needed on every farm, are dying off by the million of starvation. Ten million died in a few years. Here one horse is dead, another is too weak to stand. Peasants begging food to save their livestock were driven off by armed soldiers.

is article describing the enforced in the Ukraine, Thomas Walker finding this little Russian peasant nding beside his dying father and bitterly. The father had been shot for approaching too closely to forbidden territory while the two were picking up grains of wheat spilled on the ground. Now the boy must wander alone, almost certainly to die of starvation.



Death from starvation in a Soviet hay cart! Although he worked on a community farm where food was plentiful, this peasant could not get enough to eat to keep life in his body. Weary from his forced labor, he crawled into this hay cart to find rest. His eyes closed—and never opened again.

traveling only with a small bag of Russian make so as not to attract attention, I arrived there early in the morning. I set out to walk the six kilometers to the Collective Farm.

Peasants, Horses Starve

(Death on Highway)

About halfway out I came upon a party of three peasants and three horses in varying stages of starvation (see photograph). One peasant had died the night previous. One horse had just died and another laid down that was too weak to get on its legs again.

These peasants stated that they had been at the Collective Farm several days previous and had begged the officials for some wheat straw to feed the horses and to be allowed to fill their ... of the GPU, and requisitioned practically all of the harvest.

Two of the peasants were married and had children, who perished by starvation during the year 1932-33. I left them as they started to butcher the dead horse.

In this connection it may be interesting to state that over ten million horses have perished in Soviet Russia since 1929. Most of these animals had belonged to independent peasants.

Recently, however, trials have been held in Moscow and Smolensk, attempting to fix the blame on the managers of certain Bolshevik stock farms for the starvation of thousands of Russia's prize horses.

harvesting and storage of the grain.

As a great privilege, peasants were permitted to pick up the grains of wheat that fell on the ground in the process of Spring sowing.

Food Hunter Shot.

(Red Bullets Fly)

Walking around this farm I came upon two peasant women who were picking up grains of wheat after the manner of barnyard fowl under the most dirty conditions imaginable. (See photograph.)

They were distinctly forbidden to take any wheat that was outside of certain limits.

A father and son had been busy picking up these grains of wheat when apparently the father came

"We had no food."

"Do you want to be a Communist?"

"No, I want to die and be with my mother."

I walked further toward the southwest, and met a little boy carrying a bucket. He stated his father had been sent away to Siberia for refusing to join a Collective Farm, that his mother had died two months ago from hunger, and that he had walked many miles since her death, as he was afraid to sleep in the hut alone.

At a deserted-looking hut I found a little boy in tears, wearing a man's heavy coat.

He stated that his father had been sent to a labor concentration camp in the Spring, and his mother had gone into Kiev to try to get food two days ago.

She had not returned. She was so weak, he stated, when she left she could hardly walk, and he was afraid she had died.

There was not a crumb of bread in the house, and this boy had not eaten in five days.

One family of mother and child that I visited had recently lost the father. Trying to keep his little family from starving, he had stolen a dog in the village, killed it and was apprehended by the GPU while cooking it. He was sentenced to three years' imprisonment.

For eating seed wheat in the process of a Spring planting on a Collective Farm a peasant was sentenced to five years' hard labor on a Forced Labor Farm.

For having a few grains of wheat in his pockets after the day's work, another was sentenced to three years' hard labor.

In the middle of the afternoon, when I estimated that I had walked fifteen miles from Kiev, I came upon the bodies of two peasant women and a tiny baby. In the course of the afternoon I counted seven more bodies—all dead from starvation. Two little boys about eight years old, and one little girl of ten years or thereabouts.

About twenty miles south of Kiev I came upon a village that was practically extinct by starvation. There had been fifteen houses in this village and a population of forty-odd persons. Every dog and cat in the village had been eaten.

Horses and oxen had been appropriated by the Bolsheviks to stock Collective Farms.

In one hut they were cooking a mess that defied analysis. There were bones, pigweed, skin, and what looked like a boot top in this pot. The way that the remaining half dozen inhabitants eagerly watched this slimy mess showed the state of their hunger.

One boy of about fifteen, whose face, arms and legs were simply tightly drawn skin over bones, had a stomach that was swollen to twice normal size. He was an orphan, his father had died of starvation one month before and he showed me the body.

The boy had covered the body with straw, there being no shovels since the last GPU raid.

He stated that his mother had gone away one day searching for food, and had not returned.

The condition this Fall (1934) will no doubt be more severe than in the two years just passed. Authoritative sources state that only 40 per cent of the usual area has been sown to grain in the Ukraine.

The only possibility of relief this year is from outside help, which should be administered directly to the peasants, and not entrusted to the powers in Moscow who are DELIBERATELY EXTERMINATING THESE PEOPLE BY STARVATION.

The Ukranian Holocaust Proven

On this page is the headline from the "Chicago American" of Feb. 25, 1935 which cries out, "SIX MILLION PERISH IN SOVIET FAMINE." The eventual figure documented by the Ukranian Encyclopedia and Rep. Hamilton Fish on Aug. 29, 1933 in government report H.R. 399 that seven million Ukranians actually perished in Stalin's planned famine. The Ukraine has for many years been known as "the breadbasket of Europe," exporting food throughout the world.

Dominated by the Moscow communist regime the once proud nation of the Ukraine was ordered by Stalin in 1929 to collectivize all farms under the communist system. The independent-minded Ukranian farmers put up massive resistance and refused to work on collective farms and fought to keep their own private land. They would kill off their cattle, and other farm animals rather than turn them over to the Soviets. They burned grain reserves to prevent their seizure by Soviet agents.

Then in 1931 Stalin found an opportunity to destroy the Ukranian resistance. This year began a long drought and a poor harvest. Thus Stalin flooded the Ukraine with the Red army, police and Communist Party agents who compelled the farmers to hand over specified amounts of grain. They arrested or shot all who resisted. Everything that was edible was hauled out of the Ukraine by the Soviets. People began to starve and those who sought food in any fashion was deported to death in Siberia or executed. When winter approached in Dec. 1932 people were dying by the tens-of-thousands every week.

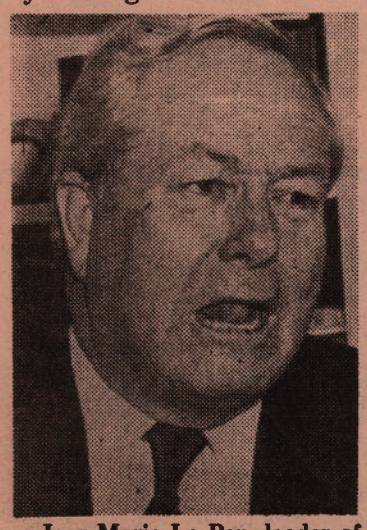
At the very same time there was no food shortage in the rest of Russia and the abundance of grain in storage was admitted by the Soviets. The Reds even denied the planned famine was killing the Ukranian people! When Krushchev admitted the crimes of Stalin before a stunned Red Congress in Moscow in Feb. 1956 he said, "Stalin wanted to deport all Ukranians, but there was no place to which to deport them. . ." Thus Satlin designed the plan to starve them to death in the most callous slaughter of a nation of people since the beginning of time.

Chicago American reporter Thomas Walker stunned the world with the March 1935 report of his visit to the Ukraine and the shocking photos he smuggled out. He found villages extinct from starvation, every dog and cat eaten. People were eating book leather and tree bark for food. People asked to die and leave their misery. Some committed suicide to escape the pain of starvation while the soviet secret police shot anyone who tried to steal even a grain of food. To this day no TV show has broadcast the story of the holocaust of the Ukranian people. There are no movies or books available on the subject. The Jews do not wish for this real holocaust to be raised because only they are supposed to have the sympathy of the world. Ukranian people in Canada and America have held public demonstrations seeking to bring the slaughter of seven million of their people before the attention of the public but to no avail. The news media blacks out the Ukranian tragedy! It is only Jews who have ever suffered such persecution — according to what the controlled news media would have us believe. The time has come for us to let all Americans know about the real holocaust of the Ukranian people and expose the hoax of the Jewish claims. The day will come when the nation will learn the truth but it is up to us to spark interest in other real holocausts.

Patriots Elected To Office

Right-Wing Election Victory In Europe

European Common Market Parliament elections have sent shock waves through the left-wing establishment. Some 17 Rightists were elected to the European governing body in Strasbourg. The French National Front elected 10 members to Parliament while the Italian MSI Party and Greek Nationalist Party elected 7. Polls predicted the French Rightist would elect 4 or 5 thus doubling of their vote surprised all. The French NF has already elected members to both city and regional councils.



Jean-Marie Le Pen, leader of the victorious French National Front Party.

The French National Front is led by the charismatic Jean-Marie Le Pen. His Party held rallies every night during the campaign and has been attacked many times by communits. They scream "Facists, Racists - Death To Le Pen." Still more and more Frenchmen rally to his banner. Le Pen explains his success as the result of the people losing faith in both the governing Socialist Pary and conservative De Gaul Party. His party has been built mainly on the theme of "*deporting the foreign African element out of our country.*"

Mr. Le Pen rightly holds that this element is responsible for the rapid rise in street crime, drug pushing, and turning France into a second class nation. (The coloreds are rapidly doing the same thing to America!) Le Pen brands the other two parties as being totally responsible for allowing the alien invasion to flood France with coloreds. He says these parties are weak, soft, corrupt, lying and on the verge of destroying France. The NF is a one issue Party because it is against the law to criticize Jews.

Le pen is the right man who has come upon the political scene at the right time. This former officer in the Foreign Legion is 56, blond and absolutely fearless. Socialist mouth piece Rene Remond charges that Le Pen is an "extremist" because he poses "simplistic solutions to complex problems." Expelling foreign workers and illegal aliens may be simple but it would raise the French standard of living tremendously — JUST AS IT WOULD RIGHT HERE IN AMERICA! Let us follow in Le Pen's footsteps and fight the alien takeover of the U.S. Every citizen on the street can readily see how the color of our population is changing! Good luck to our European compatriots!

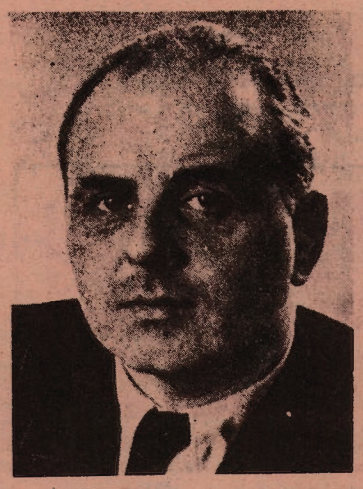
Obscure Obituary Proves Secret Jew Hand Behind Communism

Poland's First Red Dictator Dies

The official Associated Press obituary on the death of Jacob Berman, April 16, 1984 actually tells the story of the Jewishness of communism. When Soviet forces swept over Eastern Europe Stalin immediately installed Jews as head of most of the occupied states. They immediately went to work to slaughter all Christians who in any way opposed Stalin's installation of communist tyranny over them. All of this occurred in 1945 and certainly contradicts the story that Stalin was anti-Semitic. At least one of Stalin's wives was Jewish and both his son and daughter married Jews.

Liberal author John Gunther, in his book, "Behind The Iron Curtain" wrote: "Jews play a very prominent role in several governments. Here we tread delicate ground. The three Muscovites who run Hungary are Jews, the men who dominate Poland are Jews, the secretary general of the Communist Party in Czechsolvakia is a Jew, Ana Parker of Rumania is a Jewess. This brings up the grave point that Jews, as a race and a nation, may be unjustly assessed blame . . ."

Stalin appointed Jews Matyas Rakosi ruler of Hungary, Ana Pauker, was made dictator of Rumania, Rudolf Slansky head of Czechslovakia and Jacob Berman dictator over Poland. Frank L. Britton, an expert on the Jewish connection with communism wrote in his book, "Behind Communism" that anti-Jew feelings were so strong in Poland that Stalin decided to make Jacob Berman a dictator behind the scenes. Britton wrote, "*The men who dominate Poland are Jews, Minc, Skryeszewski, Modzelewski and Berman. The first three are of cabinet rank, while Jacob Berman's official position is that of Under-Secretary of State - a minor office. Yet it is this Jacob Berman who is the undisputed boss of Poland.*"



Jacob Berman, ruled Poland from behind the scenes. He murdered every active anti-communist Pole he could find!

For years Jews denied that Jacob Berman was the real power over Poland which terrorized the nation and murdered thousands of Polish Patriots. Now read the AP Berman obituary on this page which states that Berman was "*in charge of the army and secret police . . . and a key figure in the battle against Polish anti-Communists . . . Berman was the main architect of all policy. Everything had to be cleared through him!*"

Yes, times have not changed — the differences between Marxist Communism and Marxist Zionism are ZERO!

(Below reproduced from the "Canadian Globe And Mail" of April 16, 1984.)

Jakub Berman

Polish politician called architect of Communist rule

WARSAW (AP) — Jakub Berman, who played a major role in establishing Communist rule in Poland after the Second World War, has died, the newspaper Zycie Warszawy said Saturday. He was 83.

Mr. Berman, a Warsaw-born journalist and member of Poland's small pre-war Communist Party, fled to the Soviet Union after Germany invaded Poland in 1939. In Moscow, he joined the Union of Polish Patriots, a Soviet-trained group of Polish Communists.

He was on the Polish party's ruling central bureau, in charge of the army and secret police, when a pro-Moscow government came to power as Soviet troops drove the Germans from Poland.

Mr. Berman became a key figure in the battle against Polish anti-Communists, and was one of a handful of Soviet-trained politicians surrounding the nationalistic Wladyslaw Gomulka, Poland's first Communist Party leader after the war.

In August, 1948, Mr. Gomulka was replaced by Boleslaw Bierut, a member of the Moscow-trained group that included Mr. Berman and Edward Ochab.

This was the peak of power for Mr. Berman, whose responsibilities included the secret police, party purity and developing cultural policy along Soviet lines. He served as vice-premier in 1954-56.

A party member who knew Mr. Berman in the 1950s said that during that time Mr. Berman "was the main architect of all policy. Everything had to cleared through him."

Most Violent Female Communist Ever

Rosa Luxemburg Sought Red Rule In Poland And Germany

The most violent woman communist revolutionary of all time is Rosa Luxemburg. She is said to be the epitome of what females should emulate in the West. Born in Poland, at age 15 she joined the Communist Party (called The Proletariat). In 1888 she joined a doomed attempt to overthrow the Polish government — actually this was a Marxist Jew uprising against Polish Catholics. Rosa feld to Switzerland where she helped edit "The Workers' Cause" in Polish, from there, it was smuggled back into Poland.

In 1897 Luxemburg moved to Germany and edited a Marxist publication. Then in 1905 she secretly slipped back into Poland and participated in a communist revolution which failed. She was arrested in Warsaw and sentenced to one year in prison but three months later escaped and returned to Germany to became an organizer for the Socialist Party. In following years Rosa was arrested three times for revolutionary activity and then interned in 1915 for sabotaging the German war effort during World War One. After the war, on Dec. 31, 1918 Rosa was a founder of the Communist Party of Germany. Immediately thereafter her organization overthrew the democratic government in Barvaria and briefly she declared it a communist state. The "putsch" was put down by loyal German soldiers on Jan. 15, 1919 and Rosa Luxemburg was executed that same night and her body thrown into a canal.

Rosa Luxemburg, Red hero to Communists the world over.

The third postage stamp honoring Luxemburg issued by Red East Germany.

Rosa Luxemburg Honored in East Germany

The Communist Party of East Germany upholds Rosa Luxemburg as one of their greatest heroes. While she is honored by Marxist of all shades and persuations world-wide Rosa is considered a "special hero" in Red East Germany because she gave her entire life to the establishment of communism over both Poland and Germany. Postage stamps honoring her have been issued in 1955, 1971 and 1983.

Holocaust Book Outlawed In Canada

Butz Book Banned In Canada

"The Hoax of The 20th Century" has been outlawed by the Canadian Customs office as "immoral or indecent literature." There are no "dirty" photographs in the book and the law is being misused to suppress the free press! This is actually book-burning which the Jews have so long pretended to oppose.

This tyrannical action was taken at the request of the League of Human Rights of B'nai B'rith. B'nai B'rith is the powerful international secret Jew businessmen's fraternity. In the U. S. this same conspiratorial gang is called the Anti-Defamation League of B'nai B'rith. Please note that they also call for the banning of all material mailed out by Ron Gostic's anti-communist Canadian Intelligence Service. The truth of the matter is that organizer Jewry is working day and night for the outlawing of all groups opposed to Zionism and Jew money power domination of our government.

Still, we want our Subscribers in America, Europe, AND ESPECIALLY IN CANADA to know that we defy the ban on Prof. Arthur Butz's book and it can still be ordered from The Thunderbolt for only $5 per copy.

TORONTO —

Thanks to the year-long efforts of B'nai B'rith Canada's League for Human Rights, the Canadian government last week banned the importation of a book claiming the Holocaust was a hoax.

Titled The Hoax Of The Twentieth Century — The Case Against the Presumed Extermination of European Jewry, the 369-page, $6.99 book has been distributed in Canada via Ron Gostick's Canadian Intelligencer Publications in Flesherton, Ont.

But B'nai B'rith was informed in a letter from A. Lachance, a Revenue Canada officer in charge of administrating prohibited materials, that the book fell under the classification of a provision in the Customs Tariff Act prohibiting the importation of literature "of an immoral or indecent character."

"Accordingly," he wrote, "a Telex has been sent to all regional offices, advising them that the prohibited publication is not to be permitted entry into Canada."

The ban was hailed as a "great victory against hate literature" by Alan Shefman, director of field services for the League, who has been working on the case for a year.

Shefman said the League has since asked Andre Ouellet, the federal cabinet minister responsible for the Canada Post Corporation, to also arrange for the banning of the book by mail.

"Believe me, we would greatly welcome the news if we heard that Canada Post decided to revoke the mailing privileges of Ron Gostick's outfit," said Shefman.

Patriotic Leaders Praise Dr. Fields Accomplishments

Karl Hand Reveals Truth About Jerry Dutton

Dear Dr. Fields:

Jerry Dutton owns two typesetting shops in New Orleans called "Image Typesetting" as well as an antique shop on Church St., in Concord, N. C. Dutton set up the "Phoenix Fund" in Concord to raise funds for the Greensboro Defendents for which they have received no accounting. The word "Phoenix" is a favorite of Dutton and he called the slander sheet he mailed out to David Duke's stolen mailing list the "Phoenix Press." This was another anonymous smear exactly like that used to lie about Dr. Fields. It should also be noted that Dutton did the typesetting for the Jew Robert Namer who ran against David Duke in a state Senate race at a time when Duke almost won with 33% of the vote. When Dutton arrived in New Orleans from California in 1978 he was broke. Duke had to find him a place to stay and gave both Dutton and his wife a job to keep them from starving. But now, working for this negro run city, Dutton suddenly has plenty of money!

I have challenged Jerry Dutton and found him to be a personal coward who would rather run than fight. Dutton has been able to obtain typesetting contracts from negro Mayor Ernest Morial of New Orleans which often is a means of paying off pimps for services rendered. At that time I brought some printing to Dutton's shop and his reply was, *"I won't print such racist trash!"* - HE WAS TOO BUSY SETTING TYPE FOR OUR BLACK MAYOR!

Compared to the life long work of Dr. Fields - Jerry Dutton has not contributed in any way toward the building of any organization at all! At the same time Dr. Fields has made monumental achievements, making personal sacrifices, taking risks and accomplishing a tremendous amount of good in awakening the man in the street to the Jewish problem. Meanwhile Jerry Dutton and his vile co-horts have done absolutely nothing at all except help the enemy by smearing true Patriots. Even if Dr. Fields were guilty of all their charges (which are brazen lies) he still has accomplished more than any other active leader in the Right-Wing movement that I know of. Dr. Fields has my wholehearted support.

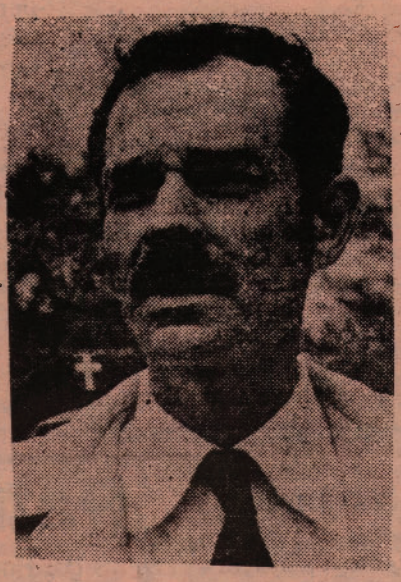
Diplomat Blasts Pro-Israel Foreign Policy Says Syria Not Communist

Former Under Secy. of State George W. Ball is one of the few diplomats in Washington who has the guts to stand up and speak out publicly against the power of the Jew lobby on Capitol Hill. Addressing the influential Foreign Policy Assn. in New York City on April 16th Ball charged:

"Present U.S. foreign policy is subservient to Israel and her ambitions. Israel was responsible for dragging the U.S. Marines into the conflict in Lebanon. Israel had no valid reason to invade Lebanon in 1982 and it was not in the interest of the U.S. to follow them there with an ill-conceived mission. Our government must stop taking orders from Israel!

"Our country is not Israel's legal guardian and we should stop currying favor with Israel by yielding to the powerful Jewish lobby in Washington. The Reagan administration's treatment of the Syrian government as 'an enemy' is not the case at all. By refusing to sell arms to Syria we have forced them to look to the Russians for aid in order to defend themselves. We have not acted in an impartial manner in the Middle East. The U.S. is currently subsidizing settlement programs in the West Bank at a cost of $200 million annually of the U.S. taxpayers money. As long as such subsidies to Israel continue the chance of peace negotiations between Arabs and Jews remains non-existant."

N.C. Leader Thanks Dr. Fields For Help In Greensboro Case



Glenn Miller, leader of the largest and most active Klan in N. C.

Dear Dr. Fields:

Little has been said about the part you played behind the scenes in aiding in the victory of the persecuted patriots in the Greensboro case. We of the CKKK distributed door to door the 30,000 copies of the special edition of The Thunderbolt which detailed the facts behind this frame-up. You proved to the general public that these Patriots were innocent — you also mailed out another 10,000 copies!

I personally approved this project and believe it was a very worthwhile effort and opened the eyes of many people in this part of North Carolina. I have worked with Dr. Fields over the past 10 years and no one has done more than he to further our cause. I personally am a product of The Thunderbolt which first awakened me to the racial problems facing America. The Thunderbolt is responsible for my involvement in this movement.

Dr. Fields is held in the highest esteem by all the Patriots in North Carolina who personally know him and his good work.

A Message From J.B. Stoner

Dear Patriotic Friends:

I want you to know that I am totally opposed to the vicious lies circulated by a phony front trying to copy our "States Rights" name. These people are enemies of everything I and my good, long time friend and associate, Dr. Fields stand for. These troublemaking, sell-out, malcontents have sought to make it appear as if there has been a split within the ranks of the National States Rights Party. Nothing could be further from the truth as they constitute ONLY TWO ex-members.

Dr. Fields has my full support and he is directing the legal battle on my behalf. Please help him in every way possible because the enemy desperately wants to stop the work of the World's No. 1 newspaper exposing the Jewish problem to the masses of our White Christian people.

Yours For Christ and Country
J. B. Stoner, National Chairman
